CILA SUSPENDS PBCILA PUMP STATION OPERATIONS FOR REPAIRS

The United States, International Boundary and Water Commission (USIBWC) reports the following regarding the South Bay International Wastewater Treatment Plant (SBIWTP) in San Diego, California:

Comisión Internacional de Límites y Aguas (CILA) advises electrical maintenance is required at Mexican PBCILA pump station. One of PBCILA pumps will be suspended for an estimated 1 hour starting at noon today.

We are expecting additional flows to the Tijuana River Channel with only 1 pump operating.
